\*\*\*\*\* Notes: 1. Membership runs from May thru April of each year. There is no prorating or partial payment of membership dues. This means that no matter what time of the year you join, you would be expected to pay full dues again in the March time frame to continue your membership thru the coming year. This is something that is controlled by ZNA Japan and not SKA.

2. The cost of a year subscription to Nichirin magazine, in English, delivered by sea is currently 9,000 Yen. To see the actual cost in U.S. dollars, click on this link for conversion (this links information is upgraded daily) <http://www.xe.com/ucc/convert.cgi> Should this link become inactive, any up to date currency converter should provide the same information.

**A dealer/breeder/reseller of Koi or Koi hobby related products should indicate their business name as part of the information at the bottom of the page. Per ZNA rules, Koi professionals are not allowed to hold any office or cast a vote in club matters. Koi dealers are not eligible to show Koi at a ZNASKA show, unless a dealer division is setup in the show.**
